RANGE

With over 40,000 discounted products in our online catalogue you'll be able to find the items you want at a price you'll love.

VALUE

WAE+ is proud to offer a lowest price guarantee; if you find any of our products cheaper on one of our competitor's sites we will beat the price.

CUSTOMER SERVICE

We have a large customer service centre, based in central England, where our team of agents are dedicated to helping you both before and after your purchase.

ECO-FRIENDLY

Where has your paper been?

Environmental issues aren't just important for us, they're fundamental to our way of thinking and working. This catalogue used to be a tree, but since then it's been an envelope, a gas bill, the times puzzles page, a flyer and a bus ticket. We only use 100% recycled paper — because we should.

It's just the way we think.

All paper in this section are the standard 80gsm (unless otherwise stated) A4 white paper. All reams come with 500 sheets as standard. All boxes include 5 reams of paper.

REMEMBER! this is just a small selection

from the 1000's of products we have online

Office supplies, stationery, pens, paper. Sounds dull, right? Well it is and it isn't. These things are an essential part of your business, but not one **you** should worry about.

WAE+ take this problem and we look at it from a 21st century perspective. No massive catalogue to laboriously scour for your preferred brand of lever arch files (our catalogue is so large that it would be about 4 inches thick if we were to print it).

Just log in, and you'll be presented with the products that are important to you. It's just a click of a button.

For our corporate clients, we offer 30 day, interest free credit*, and with that comes further savings. We'll set your prices even lower on a number of items. So give us a ring, you'll be surprised how much you'll save.
